

NeoDental Clinic

14th Street, 1st Avenue, Eastleigh, Nairobi, Kenya | 0729 884 108 | 0721 284 884 | Monday — Sunday: 9:00 AM — 9:00 PM | neodentals.com

SUMMARY

Development specification for the official NeoDental Clinic website focused on dental clinic marketing, patient education, interactive 3D dental visualization, modern healthcare branding, easy appointment conversion, local search visibility, fast performance, and mobile-first usability. Core principle emphasizes trust, education, accessibility, and easy communication without fabricating clinic-specific information.

PRIMARY WEBSITE OBJECTIVE

Help people understand their dental problems, understand possible treatments, and make it easy for them to contact NeoDental. The website should make visitors feel safe, informed, respected, confident, curious, and comfortable contacting the clinic.

DESIGN DIRECTION

Modern + Clinical + Premium + Educational + Human + Slightly Futuristic. A premium modern dental experience presented through clean digital technology.

CONFIRMED CLINIC INFORMATION

Clinic: NeoDental Clinic. Location: 14th Street, 1st Avenue, Eastleigh, Nairobi, Kenya. Phone: 0729 884 108. Additional phone: 0721 284 884. Opening hours: Monday — Sunday, 9:00 AM — 9:00 PM (holiday hours may vary). Domain: neodentals.com.

VERSION 1 SCOPE

Brand system, core pages (Home, Treatments, Learn, Dental Laboratory, About, Contact/Appointment), WhatsApp booking, phone calls, Google Maps, language switching architecture, responsive design, SEO, 3D experiences, accessibility, and performance optimization.

VERSION 1 EXCLUSIONS

No patient login, dashboard, online payments, complicated appointment backend, doctor dashboard, diagnosis engine, AI medical chatbot, electronic health records, fake testimonials/reviews/photos/doctors/statistics.

DEVELOPMENT PHASES

Phase 1 Foundation; Phase 2 Homepage; Phase 3 Treatment System; Phase 4 Education; Phase 5 3D Foundation; Phase 6 Advanced 3D; Phase 7 WhatsApp; Phase 8 Localization; Phase 9 SEO; Phase 10 Optimization.

SUCCESS CRITERIA

Logo remains intact; modern premium clinical trustworthy design; educational clarity; intuitive 3D interaction; strong performance; mobile readiness; fast WhatsApp/phone conversion; local SEO structure; localization-ready architecture; maintainable componentized code; no fabricated clinic-specific information.
